You **DID** pick up your litter?

Whilst we all like our milk in nice clean bottles (and "Cokes" too) it's a bit much to expect a cow to bottle her own milk by chewing glass, so **PLEASE** don't leave temptation laying around

We extend our grateful thanks to Mr. R. Jesty for use of this land for meetings.

We thank you for your kind support and if you have enjoyed the afternoon sport, why not take a more active interest and join the X.H.G. Tiger M.C.C.
